JOURNAL

Spring 1990

THE PHILOSOPHICAL RESEARCH SOCIETY, INC. is a non-profit organization founded in 1934 by Manly P. Hall for the purpose of assisting thoughtful persons to live more graciously and constructively in a confused and troubled world. The Society is entirely free from educational, political, or ecclesiastical control.

The Library of the Philosophical Research Society is an outstanding public facility, devoted to source material in obscure fields in which basic reference material is limited and important items extremely difficult to secure.

A number of rare volumes in the Library of the Society have already been reprinted to meet the demands of private students and those public institutions now rapidly expanding their libraries to incorporate these neglected fields. The present program is to expand this endeavor and facsimile a number of valuable and comparatively unobtainable volumes annually. The PRS Library was assembled over a period of fifty years by Mr. Hall, who has personally selected for reprinting those special reference volumes which he considers to have exceptional merit in view of the rapidly increasing interest in alchemy, Platonic philosophy, and the ancient schools of Eastern Wisdom.
